CERTIFICATE OF BOND INSURER

**DISCLOSURE, NO DEFAULT AND TAX CERTIFICATE OF
FINANCIAL SECURITY ASSURANCE INC.**

The undersigned hereby certifies on behalf of Financial Security Assurance Inc. ("Financial Security"), in connection with the issuance by Financial Security of its Policy No. 210420-N (the "Policy") in respect of the \$214,565,000 in aggregate principal amount of the Pennsylvania Intergovernmental Cooperation Authority Special Tax Revenue Refunding Bonds (City of Philadelphia Funding Program), consisting of: Series of 2008A and Series of 2008B (the "Bonds") that:

- (i) the information set forth under the caption "BOND INSURANCE – Financial Security Assurance Inc." in the official statement dated May 14, 2008, relating to the Bonds is true and correct,
- (ii) Financial Security is not currently in default nor has Financial Security ever been in default under any policy or obligation guaranteeing the payment of principal of or interest on an obligation,
- (iii) the Policy is an unconditional and recourse obligation of Financial Security (enforceable by or on behalf of the holders of the Bonds) to pay the scheduled principal of and interest on the Bonds in the event of Nonpayment by the Issuer (as set forth in the Policy),
- (iv) the insurance premium of \$1,594,784.90 (the "Premium") is a charge for the transfer of credit risk and was determined in arm's length negotiations and is required to be paid to Financial Security as a condition to the issuance of the Policy,
- (v) no portion of such Premium represents an indirect payment of costs of issuance, including rating agency fees, other than fees paid by Financial Security to maintain its ratings, which, together with all other overhead expenses of Financial Security, are taken into account in the formulation of its rate structure, or for the provision of additional services by us, nor the direct or indirect payment for a cost, risk or other element that is not customarily borne by insurers of tax-exempt bonds (in transactions in which the guarantor has no involvement other than as a guarantor),
- (vi) Financial Security is not providing any services in connection with the Bonds other than providing the Policy, and except for the Premium, Financial Security will not use any portion of the Bond proceeds; provided, however, that Financial Security or its affiliates may independently provide a guaranteed investment contract for the investment of all or a portion of the proceeds of the Bonds,
- (vii) except for payments under the Policy in the case of Nonpayment by the Issuer, there is no obligation to pay any amount of principal or interest on the Bonds by Financial Security,
- (viii) Financial Security does not expect that a claim will be made on the Policy,
- (ix) the Issuer is not entitled to a refund of the premium for the Policy in the event a Bond is retired before the final maturity date, and
- (x) for Bonds which are secured by a debt service reserve, Financial Security would not have issued the Policy unless the authorizing or security agreement for the Bonds provided for a debt service reserve account or fund funded and maintained in an amount at least equal to, as of any particular date of computation, the reserve requirement as set forth in such agreement.

Financial Security makes no representation as to the nature of the interest to be paid on the Bonds or the treatment of the Policy under Section 1.148-4(f) of the Income Tax Regulations.
